Re: *Michael J. Buckley, Beverly Jean Buckley and Continental Airlines v. United States Elevator Corporation of California*  
Denver District Court, Case No. 94-CV-5571, Courtroom 3

Dear Mr. Mateyko:

This letter is to express our sincere appreciation for your service as an expert witness in the above-referenced matter.

The case was tried to a jury for 4 days commencing March 19, 1996, in Denver District Court. With your assistance in preparing us for the discovery deposition and trial testimony of the expert retained by plaintiffs, Robert Fischer, the jury returned a verdict in favor of U.S. Elevator.

Your assistance was invaluable in shaping our defense and preparing for Mr. Fischer's cross-examination. We appreciate your responsiveness to our questions in the months preceding trial, and the time you devoted to getting to the bottom of this occurrence.

Thank you again for your professional services in this matter.

Very truly yours,
